The new World Business Class:

KLM long haul fleet is now entirely equipped with the new World Business Class. Both the new Boeing 787-9 and 787-10 Dreamliners are already equipped with the new World Business Class. Every seat can be transformed into a full-flat seat. The cabins were designed by Dutch designer Hella Jongerius. The carpets, wall design, curtains, blankets, seat covers and cushions have been perfectly matched and chosen according to her sustainability criteria.

Excellent service:

3-course meals served on porcelain dishes, fine wines, snacks between meals and

breakfast on longer flights, a coveted Delft miniature house souvenir filled with Dutch gin, travel essentials bag.

Anytime For You:

The innovative catering concept for more and more day flights ². In addition to the 3-course menu, the new 'Anytime For You' offer includes a selection of five different dishes with a variety of flavours. Customers can choose from the new and additionally offered service until shortly before landing, regardless of whether they have previously selected the 3-course meal.

Make your international travels special:

With Premium Economy, customers can enjoy exclusive service and preferred check-in and boarding, in addition to having baggage tagged as priority. When flying Premium Economy, the joy of comfort and conveniences start as soon as customers make use of the GOL Premium Lounge at the São Paulo (GRU) or Rio de Janeiro (GIG). On board attention to detail is a true priority providing customers with a blocked middle seat, more legroom and seats that recline 50% more. Exclusively reserved overhead bins making boarding and disembarking easier

Dining on board:

Customers receive a welcome drink and enjoy an exclusive complimentary menu with hot meals and snacks, in addition to wines and other beverage options.
